A BIG Rotary: **Club of Sale**

Welcome to the latest edition of the Wurruk Community House Newsletter.

We are excited to announce we have a new addition to the community garden with our *new* greenhouse - which has been kindly funded by the Rotary Club of Sale.

This new greenhouse is an important addition to our community garden.

Huge thank you to Norm, Neil, John, Brendan and Sean for their teamwork, outstanding problem solving and patience - it was an adult sized Maccano set!

The greenhouse will support us with growing more food in our garden, which can be shared with you on Wednesdays at the Wurruk Food Pantry, you can also 'Grab A Bag' to pick fresh veggies any time and it supports us with sharing gardening knowledge and delivering classes.

The next stage in our community garden is to install ground cover in the greenhouse, set-up the shelving and piping water to the greenhouse and back veggie patches. Watch this space!

We acknowledge and respect the Gurnaikurnai First Nation peoples past and present as the traditional custodians of the land on which we live and work.

We are committed to reconciliation and recognise and respect the significance of our First Nation peoples' communities, cultures and histories.

Fundraising for Wurruk Community House

To help fund our Children's After-school Activities and cover the increasing costs of the Wurruk Food Pantry, we are looking for new ways to raise funds to support these two important activities for our community.

Help us help our community, by getting involved.

Our next Bunnings BBQ Fundraiser is for Mother's Day on Saturday 11 May.

VOLUNTEERS NEEDED

Would you like to get involved with volunteering opportunities at **Wurruk Community House?**

We have a range of activities you can get involved with including; our fundraising activities such as Bunnings BBQ fundraiser, or sharing your skills and learning from others in our community garden or delivering a community activity, or helping with the Wurruk Food Pantry.

This is a great opportunity to have some fun, meet new people and learn new skills.

If you would like to volunteer please contact Sarah for a confidential chat on 0491 673 699. All volunteers are required to do complete a Working with Children Check.

Wurruk Youth Program - Renamed and Review of Term 1, 2024

GEN C CONNECT!!

So why the new name?

The new logo connects to the original name, Gen G, where it all began Our youth and team love the word CONNECT for many reasons....

It's about the Gen C program leaders connecting with the youth who we appreciate and value, the youth connecting with us and knowing they always have a voice within the program.

TERM 1 ADVENTURES & learning outcomes

Scavenger Hunt around the Wurruk Community

This session was about reconnecting as a group after the holiday break and giving our youth a sense of belonging. It helps to build their social circle outside of school and the community. Lucas, Brooke and Zac all led a team to build rapport and trust with the youth.

Port of Sale Skatepark

Skateboarding offers many advantages including coordination, pain tolerance, stress relief, precision, reflexes, patience and a positive impact on growth and character. The youth loved this session and had a BBQ tea before heading back to the Community House.

When Gaming Meets Gambling

We had some great feedback from participants in response to this session and the question "What was the most helpful thing you learnt from the workshop?"

Responses included; "That gambling is bad," "Most Games are gambling," "I learnt something and it was helpful," "Everything," "Not gamble," "That there are so many types of gambling."

The youth also made canvases that are hanging in the Community House promoting the dangers of online gaming and gambling, along with messages on smoking and vaping (pictured below).

Gallery Education Program

Arts can help youth express themselves in new ways and builds selfesteem and self-worth. Arts projects helps with learning how to solve problems, think outside the box and with finding new ways of completing a task. This teaches how to problem solve effectively, an important skill for success in both life, school and work. They learnt a simplified Batik dyeing technique on fabric to create a unique textile work.

Gen C - Wurruk Youth Program - Term 1, 2024 Supporters

A Big THANK YOU to GippSport, Victoria Police and Headspace for their incredible support for this program and a special thanks to GippSport for funding activities and catering in Term 1.

Barefoot Bowls and Bocce at West Sale Bowls Club (Wurruk)

Playing in a small group helps youth develop many of the social skills they will need throughout life. It teaches them to cooperate and to listen to each other. Our youth also engaged with the Bowls Club volunteers and totally enjoyed the experience. It was great to see the youth showing respect, participating and listening to the volunteers!

Community Challenge at Herb Guyatt Sanctuary

Zac was awesome at teaching us all a new skill in mapping, plotting a location and finding landmarks! It was great to see the youth working with each other and staff locating everything. A few went bush and had so much fun exploring this environment! All youth completed the challenge to a high standard and were rewarded with the prize of a goody bag. Yum!

Community Emergency Services Expo in Wurruk

This event was about the community having the opportunity of our youth and communities making contact with VIC POLICE, SES, CFA, and RAAF MP's to bring everyone together for a display for the youth in the community. It was amazing to see so many getting involved on the day! All participants are pictured below - more photos are available at Wurruk Community House Facebook page.

Beach Trip - Seaspray Creek Environment/Ecology Exploration

Our last session was about giving us all some 'Vitamin Sea' to reinvigorate our mind, body and souls. The calming view of the beach is up there with everyone's favourite scenery, and a gentle walk along the beach can really improve your mental well-being. Relaxing with an ocean view is proven to calm the mind, reduce anxiety and promote compassionate thinking and is definitely the perfect way for us to end Term 1!

Children's Activities

In March we held two Tuesday after-school activities for our children.

It was great hearing so much laughter and buzzing around - the photo's say it all...

The first event was Art Play led by Meg, Gippsland Art Gallery's Education Co-ordinator on 19 March. Everyone had a great time learning a new printing process, as well as playing with the parachute, kicking the ball and doing gymnastics.

Our second event was an Easter themed event - decorating Easter Cookies with Glenda and Deb on 26 March.

Huge thank you to Meg for sharing her talents and to Glenda for the massive preparations in baking all the different shortbread and gingerbread shapes - they tasted and looked great, and for organising the huge range of decorating choices.

Also a big thank you to Deb for organising the Easter Chocolate Cups and preparing the after-school snacks - all of which the kids loved!

A BIG THANK YOU also to the parents - Charmaine, Joanne & Hollie for volunteering and support - these activities would not be possible without your support.

If your child/children would like to attend and haven't already been registered - please pick up a form - they can be collected next to the front door (pictured below), and please make contact with any questions or enquiries.

Parents with Working with Children Cards (WCC) are welcome to join in the fun.
